

# Increase visibility for your employees' commute options

## Commuter Boards

Commuter boards of durable 1/4" thick transparent acrylic, measures 30" by 24"; pre-drilled in the corners for easy installation, has pockets for brochures and sturdy metal clips for posters and flyers. Four-pocket acrylic holders are available for displaying additional brochures or timetables.

## Carpool/Vanpool Parking Signs

Various HOV parking signs of machine-grade aluminum measure 12" x 18" and have pre-drilled holes. Reflectorized blue on white for high visibility.

## Permit Tags

Carpool and Vanpool parking permit hang-tags are 2 3/4" X 4 3/4" on white paper in blue ink with red consecutive numbers. With the purchase of a metal parking sign, we'll send you 10 free hang-tags!

# “Think About It” poster set

**Think about it.**

**H**ere's a bright idea. Ride the bus or train instead of driving alone to work. Use the free time to read a great book. Or write one. Wouldn't that be a novel idea?

Talk to your transportation coordinator about your commuting options.

**King County METRO**

**Think about it.**

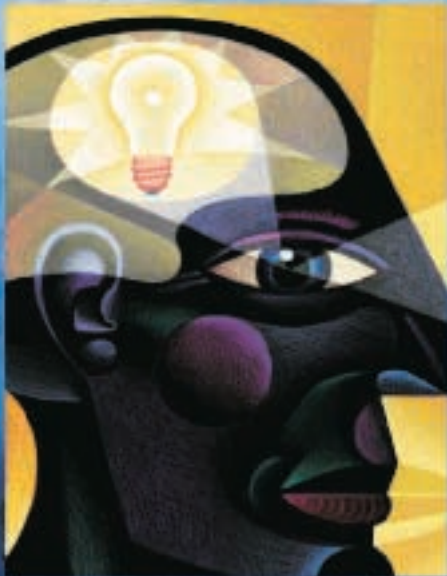

**H**ere's a bright idea. Add a passenger to your car instead of driving alone. Passengers stimulate conversation, leading to a better understanding of each other, and eventually we might achieve world peace. Now that's something to talk about.

Talk to your transportation coordinator about your commuting options.

**King County METRO**

**Think about it.**

**H**ere's a bright idea. Ride a bike or walk to work instead of driving alone. Exercise releases endorphins, producing feelings of relaxation and euphoria. Now that's something to get excited about.

Talk to your transportation coordinator about your commuting options.

**King County METRO**

**Think about it.**

**H**ere's a bright idea. Sharing a ride instead of driving alone saves you money. Meet with a financial planner. Or start a carpool with one. Now that's a smart investment.

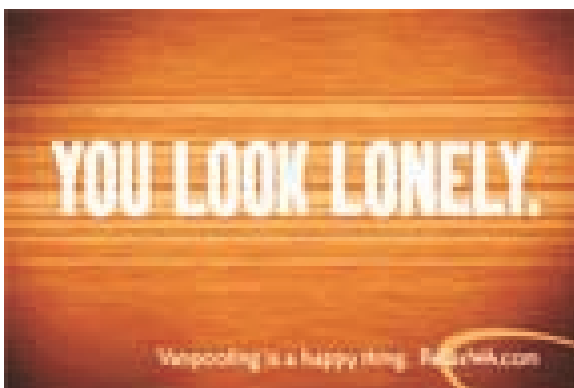

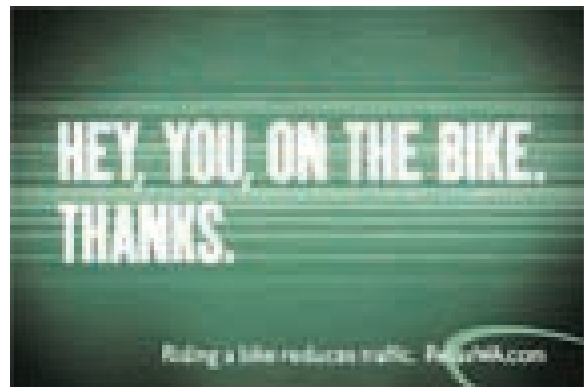

Talk to your transportation coordinator about your commuting options.
